Landmark cases are important because they change the way the Constitution is interpreted. When new cases are brought before the courts, the decisions made by the Supreme Court in landmark cases are looked at to see how the judge shall rule. Lawyers cite landmark cases to prove a point and judges cite them to justify their decisions.

US Government for Kids: Landmark Supreme Court Cases

Meteor Crater is a meteorite impact crater about 37 mi (60 km) east of Flagstaff and 18 mi (29 km) west of Winslow in the northern Arizona desert of the United States.The site had several earlier names, and fragments of the meteorite are officially called the Canyon Diablo Meteorite, after the adjacent Cañon Diablo. Because the United States Board on Geographic Names recognizes names of ...
