Teaching Creative Nature Writing and Translation | Arcadiana

Updated April 15, 2017. Nature writing is a form of creative nonfiction in which the natural environment (or a narrator's encounter with the natural environment) serves as the dominant subject. "In critical practice," says Michael P. Branch, "the term 'nature writing' has usually been reserved for a brand of nature representation that is deemed ...

What is Nature Writing? - ThoughtCo

Spend time in nature. If you're interested in writing a poem about nature, the best way to start is by going out into nature. Whether you go for a short walk, a long camping trip, or anything in between, getting outdoors will help you find inspiration and imagery. In contemporary times, nature takes many forms.

Creative Writing in Nature Course

A few years ago I spun and wove my own nature and writing “course”. These are the posts from that, as well as more recent related posts. Whilst I am no longer approaching it in a semi-formal manner, I still write about nature and nature writing and the year I spent on my “course” was fantastic for kickstarting what I think will be a lifelong interest.
